A 127-YEAR LEGACY OF TRUST

The Godrej story began in 1897, with the manufacturing of locks. Since then, we have set several benchmarks. From a state-of-the-art manufacturing facility in a suburb of Mumbai, we've reached homes, offices, industries and the hearts of millions of people in India and around the world. With a proud tradition of many firsts, we put ourselves to work every day, building on the foundation of trust that was laid 127 years ago. With innovation and excellence at heart, we create thoughtful living spaces that continue to redefine living experiences and the skylines of major cities.

YOUR VERY OWN GREENVERSE

Work. Sleep. Play. Repeat.

The city hums in a constant drone
in the quest for something bigger. And better.

Coding behind the keyboard.

Decoding the meaning of life over a cup of coffee
or on that metro ride at day's end.

Wondering what we truly want,
where we'd rather be,

longing for a place to call home.

A place cradled in nature's embrace
but not too far away.

Where trees sing the melodies long forgotten
and their lush green veil offers solace
from the chaos beyond.

The sound of gently flowing water,
the rustle of leaves,

all whispering in unison,

'Welcome home!'

Yes, a home like this exists!

Right in the heart of Bangalore's IT corridor.

A green oasis,
where you wake up to bird songs,
and not an alarm.

Where expansive windows invite the playful breeze in,
turning into a living masterpiece each evening.

Where you can unwind with your loved ones,
take a refreshing swim, or just discover
the true meaning of life and growth over a walk.

The trees know it.

And anyone spending their days by the woods does too!

It's all about feeling at home where you are.

WELCOME TO YOUR VERY OWN GREENVERSE.

Green walkways, serene water spaces, the cheerful chirping of birds, and expansive windows opening your home to the beauty around—it's the life you've always dreamt of. This time it's real. A perfect place where noise doesn't intrude, birds fill the sky, earth rests under the greenest blanket and great joy flows through all.

Nestled in the heart of Bangalore's IT corridor, awaits an opportunity that ticks every checkbox on your wish list. A haven that promises to turn every passing moment into a lifetime of memories. A life in the embrace of lush greenery, rightfully yours.
