The Godrej Legacy

The Godrej story began in 1897, with the manufacture of locks. Since then, we have set several benchmarks. From a state-of-the-art manufacturing facility in a suburb of Mumbai, we've reached homes, offices, industries and the hearts of millions of people in India and around the world. With a proud tradition of many firsts, we find ourselves at work every day, building on the foundations of trust that were laid 127 years ago.

Godrej Properties has been felicitated with over 250 awards and recognitions.
