*The Peach Tree*  
COMMERCIAL SUITES

In Gurgaon, hardly 30 minutes from the Indira Gandhi International Airport, 'The Peach Tree' Commercial Suites define a quality that blossoms with exquisite grace.

# Presenting Perfection

**T**he Peach Tree is a mixed-use development. The second to tenth floor comprise Commercial Suites, styled and furnished to match the needs of individuals accustomed to the very best in life, provided with international standard services.

On the ground and first floor are housed retail outlets, restaurants and entertainment areas. Intelligent planning integrates and makes available this public area to occupants without intruding on their privacy.

Moreover, flexible usage arrangements, supported by a lease back option, make the Commercial Suites a worthwhile investment for those who choose to self-occupy throughout the year, as well as the occasional user owners.

# Commercial Suites...

**D**istinguished units, in a choice of Commercial Studio, Commercial Suite and Deluxe Commercial Suites, each one aesthetically designed to suit a contemporary life-style. Sensitive use of glass enhances the play of light and space, complementing the luxurious interplay of colours and textures.

Each suite has its own individually controlled air conditioning, modern working conditions along with the latest entertainment electronics – TV, DVD/

music system – enhance the invitation of the comfortable environment.

It is an opulent setting, tempered by the soft polished warmth of well-finished woodwork and meticulous detailing.

All you need to do is walk in and make it yours.

...with  
services provided

What's more, you don't need to bother with the nitty-gritty of mundane daily chores. Dusting, cleaning etc. even inside the suites is all arranged through professional janitorial services, leaving you free to concentrate on what you want to do. It's the luxury of professional hospitality brought to you at your place.

# Professionally managed aftercare...

To ensure continuity in quality of services and standards over time, maintenance, including housekeeping of Commercial Suites will be professionally managed.

- Security
- Upkeep and maintenance of the equipment and facilities of common usage
- Maintenance of the common areas
- Horticulture
- Housekeeping of common areas and consumables
- Insurance of Super Structure
- Pest Control
- Janitorial services inside the suites, including dusting/cleaning, washing and replacement of linen at appropriate intervals.

# Top end Infrastructure

The infrastructure, amenities and facilities all anticipate and recognise the major aspects of comfort essential for a development of this quality. The Peach Tree Commercial Suites are provided with:
